To Whom It May Concern:

It is a pleasure to recommend Dr. Cristy Lopez, Ph.D. in conducting Immigration Evaluations in support of a 601A waiver.

Dr. Lopez has conducted evaluation for several of our clients, all whom have been very pleased. Her willingness to thoroughly obtain information on client's background makes tremendous impact on the reports.

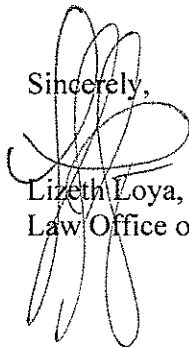

I find her input and notes very valuable towards the goal of presenting the evaluation to an Immigration Officer. I dare to say that waivers that do not have sufficient medical hardship have been approved based on emotional hardship alone pursuant to Dr. Lopez's work.

I consider Dr. Lopez to be a woman of great knowledge and talent. She can be described in terms of strong qualities. For a person of such intellect she is remarkably open-minded, willing to see the value in other people's perspective and experiences.

Her price is reasonable, her schedule is flexible and her willingness to work with Spanish Speaking only clients have made her one of our most successful evaluators on board.

I can recommend Dr. Lopez, and will be glad to be contacted if further information is desired.

Sincerely,

Lizeth Loya, C.F.O. & E.L.A,
